On 19 October 1956 a 1956 Pontiac Sedan (North Carolina [redacted]) owned and operated by you, collided with a Ford truck belonging to this Agency at the intersection of New York Avenue and 3rd St., N.W., Washington, D.C. The circumstances of the accident indicated that it resulted solely from your negligence in failing to have your vehicle under proper control, proceeding through a red light and failing to have effective brakes on your vehicle.

It is requested that you reimburse this Agency the sum of \$112.80 for the cost of repairs to the damaged vehicle. Three estimates of the cost of repairs are enclosed. Your check should be made payable to the Treasurer of the United States.

Very truly yours,
